METRO GROUP DIVESTS RETAIL PROPERTY IN WESTERN AUSTRALIA FOR PORTFOLIO RECONSTITUTION AND CAPITAL RECYCLING

The Board of Directors of Metro Holdings Limited ("**Metro**" or the "**Company**", together with its subsidiaries, the "**Metro Group**") wishes to announce the following:

DIVESTMENT OF RETAIL PROPERTY IN WESTERN AUSTRALIA FOR PORTFOLIO RECONSTITUTION AND CAPITAL RECYCLING

1. INTRODUCTION

The Metro Group owns a 30% stake in a portfolio of 18 quality freehold properties in Australia ("**Metro's Australia Portfolio**"), in which the Sim Lian Group of Companies ("**Sim Lian**") owns the remaining 70% stake. Metro's 30% stake is held through its ownership of 30% of the units in each of SLH Property Trust, Sim Lian Property Trust and Sim Lian Property Trust II ("**SLPT II**"). The Metro Group also owns 30% of Sim Lian – Metro Capital Pte. Ltd. ("**SLMC**") which is the asset and investment management company for Metro's Australia Portfolio, with Sim Lian owning the remaining 70% stake in SLMC. As at 31 March 2025, Metro's Australia Portfolio comprises 5 office buildings and 13 retail centres with a total appraised value of approximately A\$1,396 million (approximately S\$1,178 million), a total net lettable area ("**NLA**") of 176,279 square metres spanning New South Wales, Victoria, Queensland and Western Australia, an occupancy of 92.9% and a weighted average lease expiry ("**WALE**") by income of approximately 5.0 years.

SLMC Property Australia Pty Ltd is a wholly owned subsidiary of SLMC and is the trustee for SLG Dalyellup Trust, who is the sole owner of Dalyellup Shopping Centre in Western Australia (the "**Property**"). SLG Dalyellup Trust is a wholly owned subsidiary of SLG Property Trust II, which is in turn wholly owned by SLPT II. On 6 November 2025, SLMC Property Australia Pty Ltd, as trustee for SLG Dalyellup Trust, has divested Dalyellup Shopping Centre in Western Australia to an independent third party for a gross sale consideration of approximately A\$35.8 million (the "**Divestment**").

Following the Divestment, the total appraised value of Metro's Australia portfolio with Sim Lian will be approximately A\$1,361 million, consisting of 17 quality freehold properties (comprising 5 office buildings and 12 retail centres) with a total NLA of 169,811 square metres spanning New South Wales, Victoria, Queensland and Western Australia. A summary of the remaining portfolio is set out in Appendix A.

The Divestment is in the ordinary course of Metro Group's property investment and development business.

2. INFORMATION RELATING TO THE DIVESTMENT

2.1 Salient Terms of the Divestment

The Divestment was at a gross sale consideration of A\$35.8 million (approximately S\$30.4 million¹).

2.2 Information on the Property

Dalyellup Shopping Centre is a freehold neighbourhood shopping centre located at 54 Tiffany Centre, Dalyellup WA 6230, with a net lettable area of approximately 6,468 square metres as at 31 March 2025. The Property is Sim Lian Property Trust II's only retail property in Western Australia.

3. SALE CONSIDERATION

The gross sale consideration for the Property is approximately A\$35.8 million (approximately S\$30.4 million¹) and was arrived at by negotiations on a willing seller, willing buyer basis, and is to be wholly satisfied in cash. The estimated net sale proceeds (after selling costs, outstanding incentives, capital gains tax and loan repayment) from the Divestment is approximately A\$16.0 million (approximately S\$13.6 million¹). Metro's 30% share of the net sale proceeds is approximately A\$4.8 million (approximately S\$4.1 million¹).

4. RATIONALE FOR THE DIVESTMENT

The Divestment is in line with SLMC's portfolio reconstitution and capital recycling for the portfolio under its management. Together with the acquisition of the 1 Castlereagh Street freehold prime office building in Sydney in October 2024, the portfolio has strategically increased its exposure to Australia's eastern seaboard while reducing its exposure in Western Australia.

It is envisaged that SLMC will deploy the net sale proceeds for general corporate purposes, including repayment of bank borrowings and return of capital to shareholders.

5. NTA/FINANCIAL EFFECTS

The Divestment of the Property is not expected to have a significant impact on either the Metro Group's consolidated net tangible assets per share or the consolidated earnings per share for FY2026.

6. INTERESTS OF DIRECTORS AND CONTROLLING SHAREHOLDERS

None of the Directors or controlling shareholders of the Company (to the best of the knowledge of the Company) has any interest, direct or indirect, in the above matter other than through their shareholding interests in the Company.
